The translation of this song:

When I went to Bembasha (place on the Miliacka River, along the old part of Sarajevo) to get some water,
I also brought a small white lamb with me,
All the Bosnian girls stood on their doorways,
Only my darling standing behind her window,
I greet her and she responds 'you can come by me in the evening, my darling',
But I didn't go that evening, I came the next day,
But the following day my darling got married to another man.
